

## **DYNAMOS SOCCER CLUB EXPECTATIONS FOR PARENTAL/PLAYER INVOLVEMENT**

The Dynamos Soccer Club is a not-for-profit organization dedicated to the advancement of the sport of soccer in our area. We depend on parental involvement to make the organization run smoothly. During the course of the season, you may be called upon to help your team's coaches in any number of ways. Please assist if at all possible.

Each family may be requested to participate in a fund raising event that we may have.

### **NOTE:**

It is not the intent of Dynamos Soccer to prohibit players from participating in other activities. It is the expectation that every player provide a serious commitment to the team as absence may result in poor team morale and or forfeits from games and tournaments. It should be every coach's; parents', and player's understanding that commitment is more important than skill when building team foundations.
