

NORTHFIELD DYNAMOS SOCCER CLUB

NORTHFIELD, VT 05663

Occasionally, the Northfield Dynamos Soccer club wishes to interview players and/or take their photo for club web-pages and publications. There are also times when a reporter or photographer from the media may wish to do a story involving players. It would be helpful if we knew in advance which children have their parent's permission to be photographed or interviewed. We would appreciate you signing this form which will be held on file. If you would prefer that your child not be involved in these publicity materials, we will respect your wishes. Thank you!
